Sir,

I have the honor to report that just about the time at which Their Royal Highnesses the Prince and Princess of Wales visited Mysore, in January last, the leading Gentlemen of Hassan convened a strong representative meeting, with a view to start a girl school at Hassan, on national lines, to commemorate this auspicious event Donations were collected and subscriptions were promised for the

the maintenance of the institution, which was formally opened on the 1st February/26

2 From a copy of the letter dated the 23rd July last, received from the Honorary Secretary of this Institution, it may be seen that the school is managed by a Committee of respectable gentlemen and Retired officers of the State, now residing at Hassan, and that the school has been growing in strength and importance finding that the collections made from Subscriptions are not sufficient to meet the establishment and contingent charges, the Committee, through its Honorary Secretary, addressed the above letter to the Vice-President of the Hassan Town Municipality.

requesting for a monthly grant
from the funds of the municipality.
The Vice-President, in submitting
the above, stated that he inspected
the school and found that 110 ~
girls were present and suggested that
the subject might be placed be-
-fore the municipal Board.

3. Accordingly, the matter was
placed before the municipal ~
Board, at the meeting held on the
31st August last. After a careful
discussion and consideration of the
question, it was resolved that a
grant of Rs 250/- might be made
towards the maintenance of the
institution from the municipal
funds, for the current year only,
subject to the condition of ~
monthly reports of attendance

fee

tea being submitted by the Com-
-mittee of the School

4. I beg to add that I have also visited the school and have found that it is well managed and that it meets a real want in the town. In these circumstances I am of opinion that the grant of the Municipal Board is well merited and that it will go a great way to help a really deserving Edu-
-cational institution, which is doing excellent work in the town.

I, therefore, request that you will be so good as to obtain the early sanction of Government to the payment of a grant of Rs. 250/- for the current year, in support of the school, as per re-
-solution of the Municipal Board.

5

copy of which is herewith submitted). The above amount can be met out of Rs 850/- provided under "XI Miscellaneous (c) other charges" in the current year's budget of the Hassan Town Municipality
